## Underwriter

### Description

As Canada's largest automobile association, we are passionate about keeping our Members safe- whether they are on the road, at home, or travelling abroad. Meeting the diverse needs of our two-million Members requires high performing, forward thinking, and innovative people who work collaboratively to keep propelling our business forward.

### Responsibilities

- Regularly completing audit checklists to ensure compliance with underwriting rules, guidelines and practices.
- Making risk selection decisions for new business, renewals and policy changes
- Reviewing claims, both auto and property inspections to take appropriate underwriting action
- Providing underwriting support to front-line agents, adjusters and brokers.

### Qualifications

- 1-3 years experience in personal lines auto and property underwriting
- Strong organizational and interpersonal skills with the ability to multi-task
- Strong decision making skills, risk assessment ability, and P&C product knowledge
- Excellent communication skills both oral and written
- Ability to work collaboratively in a team environment
- Proficient with Microsoft Suite (Word, Access and Excel)
- Post-secondary education in a related field, and/or currently holds or working towards CIP is required

### Job Benefits

- Paid time off
- vacation paid
