## INTS-National Distribution Coordinator

### Hiring organization

INTS Consulting

### Date posted

2023-07-07

### Description

At BioScript Solutions, we're committed to simplifying access to specialty care for people with chronic health conditions and rare diseases. From our home base in Atlantic Canada, we've grown into a national network of 13 pharmacies, 100+ Coverdale Clinics, and comprehensive patient support programs (NavieGo) that serve thousands of people across the country. And together, with our third-party logistics and A&D Wholesale operations, we're proud to be a Canadian leader in specialty health care.

### Your future starts here

The scope of this role includes being responsible for cold chain shipping and receiving, regulatory compliance, and liaising with customers and suppliers. The ideal candidate will work well independently, capable of multitasking, and be willing to take on growing responsibility with the expansion of their role.

### How you will make an impact

- Shipping and receiving, inventory control and regulatory compliance;
- Product picking and packing;
- Working with an ERP system (Navision);
- Data entry and preparing shipping documentation;
- Verifying all inbound and outbound shipments; and
- Communication with suppliers and customers.

### What you'll bring to our team

- Completion of post secondary education;
- Experience in a similar role or working environment;
- Ability to perform physical tasks and capable of lifting up to 40 lbs;
- Well organized, capable of multi-tasking, managing time and prioritizing;
- Strong communication skills with a customer service focus; and
- Capable of working independently.

With one tree planted for every new hire, why not start your new job on a green foot and help us lower our carbon footprint.

**Job Status:** Full-Time, Temp

**Job Location:** Mississauga, ON
