INTS CONSULTING - Retail Product Specialist

Hiring organization

INTS Consulting INTS CONSULTING

Description

Company Description

Headquartered in Southern California, Skechers has spent nearly 30 years helping men, women and kids everywhere look and feel good. Developing comfort technologies is at the foundation of all that we do—delivering stylish, innovative, and quality products at a reasonable price. From our diverse footwear offering to a growing range of apparel and accessories, Skechers is a complete lifestyle brand.

With international business representing over half of our total sales, we have product available in more than 170 countries and significant opportunities for continued expansion worldwide. We sell our collections direct to consumers through more than 4,000 Skechers stores around the globe and Skechers e-commerce sites, as well as through a network of third-party partners.

Job Description

SALES

Engages our customer the first time and every time... Greets, meets and gets to know our customers in order to meet their needs.

PRODUCT

Treats our shoes and accessories with love, making sure the sales floor is displayed to company standards and beautifully presented.

PEOPLE

Loves being part of the team and treats every co-worker with respect, positivity and camaraderie. Ensures the team's positive energy and enthusiasm is shared with every customer every day.

OPERATIONS

Recovers, fills, stocks, cleans and shifts – never stops moving and ensuring our floor inventory and store look top-notch.

Qualifications

Something about retail speaks to you! Like the host of a great party, you love welcoming customers everyday and going above & beyond to ensure they leave happy.

Date posted

2023 09 13

- Previous Retail or Restaurant experience preferred
- Candidate work availability should match store business needs
- Great work ethic, flexibility and positivity
